

## End-to-End Currency Management Solutions

Depositing in our **smart safe** at your location is the same as depositing in the bank. NationalLink's DirectVault Program saves you time from counting, recounting, reconciling and eliminates bank trips.

### SAVE TIME AND INCREASE PROFITS

- ◆ Decrease cash shrinkage by mitigating internal and external theft risk.
- ◆ Reduce armored carrier pick-up frequency and time preparing deposits.
- ◆ Automated cash operations will reduce labor costs and eliminate errors counting cash.

### INCREASE SECURITY AND SAFETY

- ◆ All vault cash is insured.
- ◆ Armored carrier company of your choice handles all cash pick ups and bank deposits.

### MORE CONTROL AND FLEXIBILITY

- ◆ Choose your armored carrier service and banking institution.
- ◆ Faster access to capital with next business day funding.
- ◆ Smart safe cash deposits provide accurate and real time reporting for each location.

### OUR CASH SOLUTIONS COME WITH MANY AMENITIES INCLUDING:

- ◆ Customized reports provide full visibility of deposits, balances, denominations, employee usage, and alerts in the cash supply chain.
- ◆ We manage the complete process including the field service and repairs.
- ◆ Easy to install, industrial grade safes and recyclers that come with high capacity bill validation options.
- ◆ Flexible purchase/lease program tailored to your business needs.
